Robots In The Desert

In the hot desert, a robot named Talker was searching for _____ to repair his voice box.

Talker was not like other robots, he loved to _____ and tell jokes.

One day, Talker found a _____ that he thought might help him.

He picked up the _____ and started to work on his voice box.

Suddenly, Talker started to _____ in a funny voice.

He tried to stop, but the more he tried, the louder he _____.

Talker's funny voice made a nearby _____ laugh.

The _____ was so amused, it rolled on the sand, kicking up a dust cloud.

Talker was surprised, he didn't know he could make a _____ laugh.

He decided to keep the funny voice and continue to _____ jokes.

From that day on, Talker became the _____ of the desert.

And every creature in the desert loved to hear Talker _____.
