Robots And Lighter Mystery

On a foggy evening, a mysterious train arrived carrying a robot who had a _____ for a heart.

The robot was not heavy, it was as _____ as a feather.

The robot's eyes glowed like two bright _____ in the dark.

The robot could _____ up the darkest corners with its eyes.

The children on the train were not scared, they were filled with _____.

They asked the robot if it could _____ a song.

The robot's voice was not harsh, it was as soft as a _____.

The robot told them a story about a _____ who lived on the moon.

The children listened with _____ to the robot's story.

When the train reached the station, the children waved _____ to the robot.

The robot promised to _____ them again.

And so, the train disappeared into the _____, leaving behind a trail of mystery.
