Waterdrop Adventure

In our school, we have a magic _____ that can show us the future.

One day, a tiny _____ from the magic pond told us a story.

The waterdrop said, in the future, water will be very _____.

We must learn to _____ water and not waste it.

The waterdrop showed us a future where everyone _____ water.

It was a beautiful world, full of _____ and life.

The waterdrop asked us to promise to _____ water.

We all promised and felt a warm _____ in our hearts.
