Pinecone Adventure

In our school, we found a _____ on the ground.

It was not an ordinary _____, it was a pinecone.

We picked it up and _____ it carefully.

The pinecone had many _____ on it.

We decided to _____ it in our classroom.

Our teacher told us that a pinecone is a _____ of a pine tree.

We learned that pinecones _____ seeds inside them.

At the end of the day, we _____ the pinecone back outside.
