Crab In The Countryside

In a big green field, a small crab named Carl lived. Carl was not like other crabs. He did not live near the sea. He lived in the countryside. Carl loved the countryside. He loved the green grass. He loved the big trees. He loved the bright sun. But most of all, Carl loved Lily. Lily was a ladybug. She lived on a leaf near Carl. Carl loved to watch Lily fly. He wished he could fly too. One day, Carl told Lily he loved her. Lily was happy. She loved Carl too. From that day, Carl and Lily were always together. They played in the grass. They sat under the trees. They watched the sun set. Carl was happy. He loved the countryside. He loved Lily. And Lily loved him too.
