Forest Friends

In a big forest, two friends live. One is a fox. The other is a bird. They play all day. They help each other. They are happy. One day, a bear comes. The bear is big and loud. The friends are scared. But they are brave. They talk to the bear. The bear is nice. They are not scared anymore. They all play together. Now, they are three friends. They are very happy.

Who are the two friends in the forest?

What do the friends do all day?

Who comes to the forest one day?

How do the friends feel when they see the bear?

What do the friends do when they see the bear?

Is the bear nice or mean?

How do the friends feel after they talk to the bear?

How many friends are there at the end of the story?
