Dreamy Forest

In a big forest, there was a small fox. The fox had a big dream. He wanted to fly. Every night, he would dream of flying high in the sky. One day, he met a wise owl. The owl told him, "Dreams can come true. You just need to believe." The fox believed. He tried and tried. One day, he climbed a tall tree. He jumped and he flew. His dream came true. The fox was happy. He learned that dreams can come true if you believe and try.
