Sally'S Snake Friend

Once upon a time, in a small village, lived a curious girl named Sally. She loved exploring the woods and making new friends. One sunny day, she met a snake named Sam. Sam was green and long, with bright, friendly eyes. Sally was not scared. She knew snakes could be friends too. Sally and Sam played hide and seek, and Sam was very good at hiding! They laughed and had fun. When the sun set, Sally said goodbye to Sam and promised to visit again. From that day, Sally and Sam became the best of friends. They played together, learned from each other, and shared many adventures. The villagers were surprised but learned that snakes could be friendly too. Sally taught them that every creature has a place in the world.
