Super Snake In Ancient Times

Once upon a time, in an ancient civilization, there lived a special snake named Slinky. Slinky was not an ordinary snake. He had superpowers! He could change his size, become invisible, and even talk to humans. The children of the civilization loved Slinky. They would play with him, and Slinky would teach them about the ancient world. One day, a big problem came. A giant boulder was rolling towards the village! The people were scared. But Slinky wasn't. He used his superpowers to become as big as the boulder and stopped it from crushing the village. The people cheered. Slinky was their superhero!
