Superhero Snake On The Island

Once upon a time, on a sunny island, lived a special snake named Sam. Sam was not an ordinary snake. He was a superhero snake! He had the power to change his color and blend with his surroundings. This was his superpower. One day, a group of children came to the island for a picnic. They were playing and having fun. Suddenly, a naughty monkey grabbed their picnic basket and ran away. The children were sad and didn't know what to do. Sam, the superhero snake, saw this from a distance. He decided to help the children. Using his superpower, he changed his color to match the trees and quietly slithered towards the monkey. The monkey didn't notice him. Sam quickly grabbed the picnic basket from the monkey and returned it to the children. The children were surprised and happy. They thanked Sam and promised to take care of their things better next time. From that day on, Sam became the superhero of the island, always ready to help those in need.
