Birdy'S Forest Adventure

Once upon a time, in a lush green forest, lived a little bird named Birdy. Birdy was a cheerful bird, always chirping and hopping around. One day, Birdy decided to go on an adventure. He flew high and low, exploring the forest. Suddenly, he saw a little squirrel stuck in a thorny bush. Birdy rushed to help. He pecked at the thorns and freed the squirrel. The squirrel thanked Birdy and they became friends. From that day on, Birdy and the squirrel had many adventures together. They played hide and seek, chased butterflies, and sang songs. Birdy learned that adventures were more fun with friends.
