Whale In The City

In the heart of a bustling city, a young girl named Lily found a lost baby whale. The whale was blue, as big as a bus, and had a heart full of love. Lily named him Whaley. Whaley was far from his ocean home, but he loved Lily. Lily loved Whaley too. She wanted to help him find his way back to the ocean. Every day, Lily and Whaley explored the city. They saw tall buildings, noisy cars, and many people. But no ocean. One day, they found a big park with a large pond. "This is not the ocean, but it's water," said Lily. Whaley splashed happily in the pond. He missed the ocean, but he loved being with Lily. Lily promised Whaley, "I will find your ocean home." And Whaley knew, with Lily's love, he would find his way home.
