Dino City In Space

In the future, a city floats in space. It is not a city for people. It is a city for dinosaurs. Big dinosaurs and small dinosaurs live there. They have fun in the city. They play and learn about space. They look at stars and planets. They love their city in space.

Who lives in the city?

What do dinosaurs do in the city?

Where is the city?

What do dinosaurs learn about?

What do dinosaurs look at?

Do dinosaurs love their city?

Is the city for people?

Is the city big or small?
